

# The Only One

Vickie Winans

Verse:

I sit here looking out my window  
Watching as the daylight pass me by  
I see the night and it's contender, y'all  
The loneliness makes me cry

The darkest hours take me over  
Reflect my past and show my doom  
No strength to fight I run for cover, y'all  
And pray that morning would come soon

And then the light, the light of Your love  
It shines on me with beams of hope from up above  
But most of all, I hear Your sweet voice  
You reassure me and You let me know

Chorus:

You are the only one for me  
I'm so glad you're in my life  
You are the only one for me  
Sweeter as the days go by

Verse:

I sit here watching out my window  
Another day has passed me by  
I don't deny that it's contender, no  
The loneliness won't make me cry

Because the light, the light of Your love  
It shines on me with beams of hope from up above  
But most of all, I heard your sweet voice  
You reassure me and You let me know

Chorus (2x)

It took some time for me to figure it out  
Lord, You're all that I want and all that I need  
Your love surrounds me and there is no doubt  
Your light, it shines so bright...

Chorus (2x)

I keep falling in love, over and over,  
Over and over, again...
