

The Rainbow

Vickie Winans

Verse 1:

This is a forecast of a storm,
for some it seems the storm just won't pass.
For you it seems so dark,
that day will never ever come
into your life, sunny and bright.

Chorus:

So when the rain falls down on me,
Lord, take me high up so I can see
the rainbow, I wanna see Your rainbow.

Though the rain causes many complications,
Lord, I'm still looking for Your decoration
called the rainbow, I wanna see Your rainbow.

(The rainbow tells me this storm has passed).
(The rainbow tells me this storm has passed).

Verse 2:

My word, it just won't fade,
and My glory, it will prevail,
just like the rainbow in the sky,
it's so powerful and it's so bright,
the rainbow, I wanna see Your rainbow.

Chorus

Vamp 1:

He'll take your winter, turn it spring,
summer will fall, fall into place.

Vamp 2:

The storm has passed.
The storm, this storm has passed.

Ending:

The rainbow tells me this storm has passed.
(repeat as desired)
