

Trust Him

Vickie Winans

I'm gon keep on trustin'
Gon keep on keeping on
I'm gonna, i'm gonna trust him
Let go, act like it's alright
Bring in some sunshine
We gotta, we gotta trust him

Oh, take a minute sit down relax he's got cha back and
Oh, when you're low that's when he's close
Can you feel the love
It's like taken a ride and you don't know
Exactly where it might stop, where it might go
Um, and it's moving so slow

Must be a reason must be a plan
Won't leave me stand ing here alone
Wearing your name singing your praise
Praying it won't be long
Whatever you choose to do i'm never leaving you
Your love is true and i'm gonna trust you

Oh, falling on my knees hoping that you please hurry
Oh, can you touch me won't you send me your clory
If you don't do it, then it won't be done
I'm waiting right here not gon' give up
Um, lord it's getting so close
Closing my eyes hoping i find a wonderful surprise
Lifting my hands knowing you can
Turn everything around
So whatever you do i'm never leaving you
Your love is true
I'm just gonna trust you

They that trust in the lord won't ever, ever, be ashamed
Oh, if you can let go and put your faith in his hand
He's gonna show you exactly what's in his plan
