

## 25 Minutes

Victoria Beckham

Time goes slowly, feeling lonely for you, can't get you off my mind,  
Darkness falling, my hearts calling to you, can't get you on the line

Nothing but frustration on this long and lonely ride, I can feel anticipation building up inside,

25 minutes to go, I'm lost in the rain and I'm moving way too slow, to get to you  
25 minutes to go, I can't find my way got the radio down low, trying to talk to you

Brightlights blinding, now I'm feeling that time is never on my side,  
Keep on moving, never see the signs, I'm gonna lose my mind

Nothing but frustration on this long and lonely ride, I can feel anticipation building up inside,

15 minutes to go, I'm lost in the rain and I'm moving way too slow, to get to you  
15 minutes to go, I can't find my way got the radio down low, trying to talk to you

Nothing but frustration on this long and lonely ride, I can feel anticipation building up inside,

12 more minutes to go, I'm lost in the rain and I'm moving way too slow, to get to you  
5 more minutes to go, I'll never find my way got the radio down low, trying to talk to you

1 more minute to go...
