

# That Kind Of Girl

Victoria Beckham

Boy when I first saw you  
I knew I could adore u  
And it's my nature to be shy but not tonight, no  
So let me make the first move  
I'll make it easy for you  
Someone has to break the ice, oh baby, oh

Don't care bout your money or the car that you drive  
Cos my affection ain't somethin' you can buy  
Got my suspicion lookin' in your eye  
That you could be my kind of guy

Do you like watchin' the sun come up  
Sippin champagne in a paper cup  
Laughin' when you're makin love  
Cos I'm that kind of girl  
Dancin' to a sad love song  
Even when the music's gone  
Kisses that go on and on and on  
Cos I'm that kind of girl

Is this first star wishing  
A woman's intuition  
Has my arrow found its mark, oh baby, yeah-hey  
Cos all I do is think of you  
In a fantasy for two  
And I've just got to let you know  
Cos being real is in my heart and soul

Don't care bout your money or the car that you drive  
Cos my affection ain't somethin' you can buy  
Got my suspicion lookin' in your eye  
That you could be my kind of guy

Do you like watchin' the sun come up (up)  
Sippin champagne in a paper cup (oh yeah)  
Laughin' when you're makin love (oh whoa)  
Cos I'm that kind of girl  
Dancin' to a sad love song (yeah yeah yeah)  
Even when the music's gone (music's gone)  
Kisses that go on and on and on (on and on and on and on)  
Cos I'm that kind of girl

I wanna be kissin' in the rain  
Fallin' in love over and over again  
Oh, cos I'm that kind of girl

Do you like watchin' the sun come up  
Sippin champagne in a paper cup  
Laughin' when you're makin love  
Cos I'm that kind of girl  
Dancin' to a sad love song (yeah, yeah, yeah)  
Even when the music's gone (music's gone)  
Kisses that go on and on and on (on and on and on and oh whoa)  
Cos I'm that kind of girl

Do you like watchin' the sun come up
