

Fever

Victoria Duffield

Another headache, another heartbreak
I try to sleep it all off but it won't take
Another turn-around, Another let-down
I see your lips move but there's no sound

Another slow finish, I'm gettin' lost in it
I just can't keep my head from spinnin'
I can't make this work right with or without it
Why can't you just

(Oh!) Make your mind up, I'm dizzy
(Oh!) You only ever disappoint me
(Oh!) You're makin' me sick when you don't speak
(Oh!) Boy, you're always givin' me

Fever (fever)
Fever (fever)
Fever
Boy, you're only givin' me

Fever (fever)
Fever (fever)
Fever
Boy, you're always givin' me

Another cold-sweat, another regret
Another thing that I want but I won't get
Another nice try, another alibi
There's not a nice way to say this, it's goodbye

Another easy-come, another easy-go
Another "we're done if you say so"
I can't make this work right with or without it
Why can't you just

(Oh!) Make your mind up, I'm dizzy
(Oh!) You only ever disappoint me
(Oh!) You're makin' me sick when you don't speak
(Oh!) Boy, you're always givin' me

Fever (fever)
Fever (fever)
Fever
Boy, you're only givin' me

Fever (fever)
Fever (fever)
Fever
Boy, you're always givin' me

Fever (fever)

Fever (fever)
Fever
Boy, you're only givin' me

Fever (fever)

Fever (fever)
Fever
Boy, you're always givin' me

My heart's in repair
What you say, I don't care
As long as you just say something

Let me know where I stand
Am I in demand?
Or should I just run while I can?

Make your mind up, I'm dizzy
You only ever disappoint me
You're makin' me sick when you don't speak
Boy, you're always givin' me

(Oh!) Make your mind up, I'm dizzy
(Oh!) You only ever disappoint me
(Oh!) You're makin' me sick when you don't speak
(Oh!) Boy, you're always givin' me

Fever (fever)
Fever (fever)
Fever
Boy, you're only givin' me

Fever (fever)
Fever (fever)
Fever
Boy, you're always givin' me

Fever (fever)

Boy, you're only givin' me
