

# Hate To Say It

Victoria Duffield

I don't know when it started  
Phone lines, broken, static  
I still hear the words  
You're saying all the right things  
Pulling on my heart strings  
It can't get much worse  
You, you got someone new  
But you say that I'm still the one for you  
I'm not gonna' wait for you to choose  
So listen up

I hate to say it but I'm not your baby  
Don't try to tell me that I'm the only one on your mind  
I hate to say it but you're killing me lately  
You and your big, stupid lies, they got me every time

You were my fantasy  
What happened to you and me?  
I hate to say it but I'm not your baby, your baby anymore

You claim you've always loved me  
Do you know what love means?  
Don't deny the truth  
And thinking about you with her  
Paints an ugly picture  
The ink's bleeding through, oh  
You, you got someone new  
But you say that I'm still the one for you  
I'm not gonna' wait for you to choose  
So listen up

I hate to say it but I'm not your baby  
Don't try to tell me that I'm the only one on your mind  
I hate to say it but you're killing me lately  
You and your big, stupid lies, they got me every time

You were my fantasy  
What happened to you and me?  
I hate to say it but I'm not your baby, your baby anymore

Don't you even try to apologize  
Cause I'm hanging up for the very last time  
Don't you even try to apologize  
Cause I'm hanging up for the very last time

I hate to say it but I'm not your baby, your baby

I hate to say it but I'm not your baby  
Don't try to tell me that I'm the only one on your mind  
I hate to say it but you're killing me lately  
You and your big, stupid lies, they got me every time

You were my fantasy  
Guess things weren't meant to be  
I hate to say it but I'm not your baby, your baby anymore

I'm not your baby, I'm not, I'm not your baby anymore

I'm not your baby, I'm not, I'm not your baby  
I hate to say it but I, I'm done
