

# Save Me

Victoria Duffield

Why won't you save me  
Cause you know I'm falling

Sweep me off my feet  
Why can't you hear me calling

In the middle of the night  
I'm looking for you to come take me home

I'm so lost  
I've never been down this road before

Looking left and turning around  
What are you wait, waiting for

I, I can't find my way  
I'm so lost in this place  
I need someone to find me

I'm so scared of being alone  
Come take me home

Why won't you save me  
Cause you know I'm falling

Sweep me off my feet  
Why can't you hear me calling

In the middle of the night  
I'm looking for you to come take me home

Why won't you save me  
Cause you know I'm falling

Sweep me off my feet  
Why can't you hear me calling

In the middle of the night  
I'm looking for you to come take me home

Oh Oh Oh  
Oh Oh Oh  
Oh Oh Oh  
Oh Oh Oh

Time goes by just give me a sign  
Should I wait for you

I may look fine but I'm barely alive  
I need to be rescued

This, this city's on fire  
I, I'm burning inside  
I need someone to tell me

Don't be scared you're not alone  
I'll take you home

Why won't you save me  
Cause you know I'm falling

Sweep me off my feet  
Why can't you hear me calling

In the middle of the night  
I'm looking for you to come take me home

Why won't you save me  
Cause you know I'm falling

Sweep me off my feet  
Why can't you hear me calling

In the middle of the night  
I'm looking for you to come take me home

I, I look to the sky  
I can't believe my eyes  
Cause you're standing right in front of me

You, You pull me in and then  
you kiss me goodbye

Why won't you save me  
Cause you know I'm falling

Sweep me off my feet  
Why can't you hear me calling

In the middle of the night  
I'm looking for you to come take me home

(Why won't you save me)  
In the middle of the night  
I'm looking for you to come take me home

Why won't you save me  
Cause you know I'm falling

Sweep me off my feet  
Why can't you hear me calling

In the middle of the night  
I'm looking for you to come take me home
