

# They Don't Know About Us

Victoria Duffield

[Victoria Duffield]

Headline  
Rumors and lies  
Something's always going round  
Cold eyes  
Judging our lives  
Like they know what's going down

They want to read us like a front page story  
Up in their business like they're paparazzi  
They think we're just another tabloid crush  
In the end they don't know about us

[Chorus]

If they wanna talk, let them talk (hey)  
If they wanna whisper, then so what? (hey)  
They don't know about us  
They don't know about us  
They don't know about u-u-u-u-us

If they wanna hate, let them hate (hey)  
'Cause it don't matter what they say (hey)  
They don't know about us  
They don't know about us  
They don't know about u-u-u-u-us

[Cody Simpson]

No sound,  
Truth cutting out,  
Like a game of telephone  
New found  
Talk of the town,  
They don't wanna leave us alone

[Victoria Duffield]

Pay no attention to the "He said, she said"  
Yeah, you're the only one I hear in my head

[Cody Simpson]

So let them think we're just a tabloid crush

[Both]

In the end they don't know about us

[Chorus]

If they wanna talk, let them talk (hey)  
If they wanna whisper, then so what? (hey)  
They don't know about us  
They don't know about us  
They don't know about u-u-u-u-us

If they wanna hate, let them hate (hey)  
'Cause it don't matter what they say (hey)  
They don't know about us  
They don't know about us  
They don't know about u-u-u-u-us

They don't know about us (hey)  
They don't know about us (they don't know)  
They don't know about us (hey)  
They don't know about us, no

[Victoria Duffield]  
Let them say what they say  
Baby they can talk all night and day

[Cody Simpson]  
Let them waste their time,  
Rumors ain't never gonna change my mind

[Victoria Duffield]  
'Cause when you hold me tight,  
I know it's worth the fight

[Both]  
They don't know the truth,  
They don't know it like we do

[Chorus]  
If they wanna talk, let them talk (hey)  
If they wanna whisper, then so what? (hey)  
They don't know about us  
They don't know about us  
They don't know about u-u-u-u-us

If they wanna hate, let them hate (hey)  
'Cause it don't matter what they say (hey)  
They don't know about us  
They don't know about us  
They don't know about u-u-u-u-us

They don't know about us,  
They don't know, they don't know  
They don't know about us,  
They don't know, they don't know  
They don't know about us,  
They don't know, they don't know

[Cody Simpson]  
I like this right here.
