

365 Days

Victoria Justice

Monday,
Well baby if fell for you

Tuesday
I wrote you this song

Wendsday
I wait outside your door,
Even though I know it's wrong...

7 days a week
Every hour of the month
Gonna let you
Know where my heart
Is commin from

I shouldn't fell this way,
But I gonna say
Baby I gotta let you now

I will try
Everything,
To make you come
Closer to me

And maybe make
You believe
That I will bahave

How can I
Get it through
To tell you
What I can't lose

I will try 365 days,
365 ways to get to you

Yeah, to get to
You, you, you, you
Baby

Every second,
I want you all
To myself
(All to my self)

Every second
Every second
Every tick tick of
The clock

I just can
Handle myself,
Feeling kinda guilty
But girl I can't stop

Girl I don't wanna

Nobody else,
No one else,
No one else...

I will try
Everything,
To make you grow
Closer to me

I'll try 365 days...
365 ways to get to you
