## Eye of the Tiger

**Victoria Justice** 

Risin up Back on the street Did my time took my chances Went the distance now I'm back on my feet Just a man and his will to survive So many times It happens too fast You trade your passion for glory Don't lose your grip on the dreams of the past You must fight just to keep them alive It's the eye of the tiger

It's the cream of the fight Risin up to the challenge of our rivals And the last known survivor stalks his prey in the night And he's watching us all with the eye of the tiger

Face to face Out in the heat Hanging tough Stayin hungry The stack the odds still we take to the street For the kill with the skill to survive...

It's the eye of the tiger It's the cream of the fight Risin up to the challenge of our rivals And the last known survivor stalks his prey in the night And he's watching us all with the eye of the tiger

Risin up Straight to the top Had the guts got the glory Went the distance now I'm not gonna stop Just a man and his will to survive

It's the eye of the tiger It's the cream of the fight Risin up to the challenge of our rivals And the last known survivor stalks his prey in the night And he's watching us all with the eye of the tiger

The eye of the tiger... The eye of the tiger... The eye of the tiger...
