

# Give It Up

Victoria Justice

Someday I let you in  
Treat you right  
Drive you outa your mind  
Ooo

You've never met a chick like me  
Burn so bright  
I'm gonna make you blind

Always want what you can't have  
Is it so bad  
If you don't get what you wanted

Make you feel good  
As I'm with you  
Wanna shape ya boy  
Lets get it started!

R: Give it up  
You can't win  
Cuz I know where you've been  
Such a shame  
You don't put up a fight  
It's a game that we play  
At the end of the night  
It's the same old story  
But you never get it right  
Give it up

Come a little closer  
Come a little closer  
Baby, baby  
Come a little closer  
Come a little closer  
Baby, baby

So stop trying to walk away  
No you wont ever leave me behind  
(Noooo)

You better believe that I'm here to stay  
(That's right)  
Cuz you're the shade and I'm the sunshine  
(Ooooohh)

Look at me boy  
Cuz I got you  
Where I want you  
Isn't it so exciting

Wanna shake you  
Wanna break you  
Take a backseat boy  
Cuz now I'm driving

R:

Oooooo  
Yeah yeah  
Hey yeah yeah yeah  
Oooohhhhhh

Come a little closer  
Come a little closer  
Baby, baby  
Come a little closer  
Come a little closer  
Baby

Yeah you are my baby  
And I'll make you crazy toniiight

Look at me boy  
Cuz I got you  
Where I want you  
Isn't it so exciting

Wanna shake you  
Wanna break you  
Take a backseat boy  
Cuz now I'm driving

R:

Wooahhh  
YEAH
