

Here's 2 Us

Victoria Justice

Ooooh

Here's to the Mondays watching all the cars on the freeway
I ain't got a thing to do can I sit here next to you? and oh oh oh
Yeah I kinda wish I got paid cause my card got maxed out yesterday
Could you give me a shot and I'll work with what I got
Not a dollar in my pocket but I rock it like I ain't broke, you know?

Ooooh

Here's to us oh oh
Here's to us ooh here's to us oh oh
Here's to never winning first place
Here's to crying on your first date
Here's to every single heartbreak
Here's to us ooh here's to us

Here's to the mistakes

Somehow they always drop you in the right place
So lets go another round til the sky is falling down
And we'll laugh all the shakers and movers
Now who's the loser? What a joke

Ooooh

Here's to us oh oh
Here's to us ooh here's to us oh oh
Here's to never winning first place
Here's to crying on your first date
Here's to every single heart break
Here's to us ooh here's to us

Na na na na na na na na na na na na na na na

I'm a player I'm a hater
But I swear you'd never know
Cause I've got a smile on
I'm an ex-con that just got off parole
Could've been a contender a pretender
Like a brand I play the role
But I'm not so what and that's just how it goes

Yeah!

Ooooh

Here's to us oh oh
Here's to us ooh here's to us oh oh
Here's to never winning first place
Here's to crying on your first date
Here's to all the bad first dates
Here's to every single heartbreak
Here's to raining on your own parade
Here's to showing up anyway
Here's to us here's to us here's to
Here's to the Mondays
