

# Make It Shine

Victoria Justice

Here I am, once again  
Feeling lost but now and then  
I breath it in to let it go

And you don't know where you are now  
Or what it will come to  
If only somebody could hear  
When you figure out how  
You're lost in the moment  
You disappear!

You don't have to be afraid  
to put your dream in action  
You're never gonna fade,  
you'll be the main attraction  
Not a fantasy, just remember me  
When it turns out right  
'Cause you know that if you live  
in your imagination  
Tomorrow you'll be everybody's fascination  
In my victory, just remember me  
When I make it shine!

Reaching high, feeling low  
I'm holding on, but letting go  
I like to shine  
I'll shine for you  
And it's time to show the world how  
it's a little bit closer  
As long as I'm ready to go  
All we have is right now  
As long as you feel it inside you know

You don't have to be afraid  
to put your dream in action  
You're never gonna fade,  
you'll be the main attraction  
Not a fantasy, just remember me  
When it turns out right  
'Cause you know that if you live  
in your imagination  
Tomorrow you'll be everybody's fascination  
In my victory, just remember me  
When I make it shine!

Everyone can tell you how it's  
all been said and done (Ooh Whoa)  
That harder times will change your mind and  
make you wanna run  
But you want it  
and you need it  
Like you need to breathe the air  
If they doubt you  
Just believe it  
That's enough to get you there

You don't have to be afraid

to put your dream in action  
You're never gonna fade,  
you'll be the main attraction (Ooh Whoa)  
Not a fantasy, just remember me  
When it turns out right  
'Cause you know that if you live  
in your imagination  
Tomorrow you'll be everybody's fascination  
In my victory (Ooh)  
Just remember me  
When I make it SHINE!
