

Song 2 You

Victoria Justice

I don't wear designer clothes
I don't go to the finest schools
But, I know....I ain't no fool baby

I may not be a star
I'm not driving the sickest car
But, I know....I can make you happy baby

I don't know what you been used to
Never been with a girl like you
But, I can give you a love that's true to...
your heart, na na na na na naaa.

R: I'll give you my song
These words to you
Sing you what I feel
My soul is true.

I don't have the world
Can't give it to you girl
But, All that I can do
(All that I can do)

Is give the song to you.
na na na na na na

Yeah I know that you are blessed
But, there's something you're missing yeah
Your own melody,
Oh baby

I don't know what you been used to
Never been with a girl like you
But, I can give you a love that's true to...
your heart, na na na na na na naaa.

R:

I'll give you my heart, my song, my words baby
What I can say, I'll sing it.
Oh, oooh, ooooooh

I'll give my song and the rest to you baby baby
Sing you what I feel, my soul is true.
