Tell Me That You Love Me

Victoria Justice

Oh yeah yeah The situation turned around enough to figure out That someone else has let you down So many times I don't know why But I know we can make it as long as you say it

So tell me that you love me yeah And tell me that I take your breath away Maybe if you take one more than I would know for sure There's nothing left to say Tell me that you love me anyway

So tell me that you love me anyway Whoa whoa oh oh Waking up beside yourself and what you feel inside Is being shared with someone else Nowhere to hide I don't know why But I know we can make it As long as you say it

So tell me that you love me yeah And tell me that I take your breath away Maybe if you take one more than I would know for sure There's nothing left to say But tell me that you love me anyway

Show me look what we found turn it around every day I can hear what you say Now I know why know we can make it If tell me that you love me yeah And tell me that I take your breath away Maybe if you take one more

So tell me that you love me yeah And tell me that I take your breath away Maybe if you take one more than I would know for sure There's nothing left to say Tell me that you love me anyway
