## You're the Reason

**Victoria Justice** 

I don't want to make a scene I don't want to let you down Try to do my own thing And I'm starting to figure it out That it's alright Keep it together wherever we go And it's alright, oh well, whatever Everybody needs to know

R: You might be crazy Have I told you lately that I love you? You're the only reason that I'm not afraid to fly And it's crazy that someone could change me Now no matter what it is I have to do, I'm not afraid to try And you need to know that you're the reason why

I don't even care when they say You're a little bit off Look me in the eye, I say I could never get enough 'Cause it's alright Keep it together wherever we go And it's alright, oh well, whatever Everybody needs to know

## R:

If it was raining, you would yell at the sun Pick up the pieces when the damage is done You say it's just another day in the shade But look at what a mess we made
