

Can't Cry Hard Enough

Victoria Williams

I'm going to live my life
Like every day's my last
Without a simple goodbye
It all goes by so fast

And now that you're gone
I can't cry hard enough
No I can't cry hard enough
For you to hear me now

I'm going to open my eyes
And see for the first time
I've let go of you like
A child letting go of his kite

There it goes up in the sky
There it goes beyond the clouds
For no reason why
I can't cry hard enough
No I can't cry hard enough

For you to hear me now
I'm going to look back in vain
And see you standing there
When all that remains
Is just an empty chair

And now that you're gone
I can't cry hard enough
No I can't cry hard enough
For you to hear me now
