

Hit And Run

Victory

It's two A.M. and the last call's passed
Taking tonight like it might be my last
There you are looking young and unattached
Looks like you'll be my one-night match

I strike at random
Don't care how I land 'em

Gotta hit and run
I dive in quick
I'm your wayward son
I'm just out for kicks

I'll use every line in the how-to-book
Gonna get you baby by hook or by crook
Dr. Ruth told me what it's all about
Gotta live it up before I check out

I strike at random
Don't care how I land 'em

Gotta hit and run
I dive in quick
I'm your wayward son
I'm just out for kicks

That's why I hit and run
I'm in and out quick
I'm your prodigal son
I'm just out for kicks
Gotta hit and run

I'm gonna hit and run
I dive in quick
I'm your wayward son
I'm just out for kicks

That's why I hit and run
I'm in and out quick
I'm your long-lost son
I'm just out for kicks

That's why I hit and run
I dive in quick
I'm your wayward son
I'm just out for kicks

Gotta hit and run
I cannot quit
I'm your prodigalson
I'm just out for kicks
Gotta hit and run
