

# City Hall

Vienna Teng

Me and my baby on a february holiday  
'cause we got the news  
Yeah, we got the news  
500 miles and we're gonna make it all the way  
We've got nothing to lose  
We've got nothing to lose

It's been 10 years waiting  
But it's better late than the never  
We've been told before  
We can't wait one minute more

Oh, me and my baby driving down  
To a hilly seaside town in the rainfall  
Oh, me and my baby stand in line  
You've never seen a sight so fine  
As the love that's gonna shine  
At city hall

Me and my baby've been through  
A lot of good and bad  
Learned to kiss the sky  
Made our momma's cry  
I've seen a lot of friends  
After giving it all they had  
Lay down and die  
Lay down and die

10 years into it  
Here's our window  
At the vegas drive-thru chapel  
It ain't too much  
For 'em all to handle

Oh, me and my baby driving down  
To a hilly seaside town in the rainfall  
Oh, me and my baby stand in line  
You've never seen a sight so fine  
As the love that's gonna shine  
At city hall

Outside, they're handing out  
Donuts and pizza pies  
For the folks in pairs in the folding chairs  
My baby's lookin' so damned pretty  
With those anxious eyes  
Rain-speckled hair  
And my ring to wear

10 years waiting for this moment of fate  
When we say the words and sign our names  
If they take it away again someday  
This beautiful thing won't change

Oh, me and my baby driving down  
To a hilly seaside town in the rainfall  
Oh, me and my baby stand in line

You've never seen a sight so fine  
As the love that's gonna shine

Oh, me and my baby driving down  
To a hilly seaside town in the rainfall  
Oh, me and my baby stand in line  
You've never seen a sight so fine  
As the love that's gonna shine  
At city hall
