

# Lullabye For A Stormy Night

Vienna Teng

Little child, be not afraid  
The rain pounds harsh against the glass  
Like an unwanted stranger  
There is no danger  
I am here tonight

Little child  
Be not afraid  
Though thunder explodes  
And lightning flash  
Illuminates your tearstained face  
I am here tonight

And someday you'll know  
That nature is so  
This same rain that draws you near me  
Falls on rivers and land  
And forests and sand  
Makes the beautiful world that you see  
In the morning

Little child  
Be not afraid  
The storm clouds mask your beloved moon  
And its candlelight beams  
Still keep pleasant dreams  
I am here tonight

Little child  
Be not afraid  
The wind makes creatures of our trees  
And the branches to hands  
They're not real, understand  
And I am here tonight

And someday you'll know  
That nature is so  
This same rain that draws you near me  
Falls on rivers and land  
And forest and sand  
Makes the beautiful world that you see  
In the morning

For you know, once even I  
Was a little child  
And I was afraid  
But a gentle someone always came  
To dry all my tears  
Trade sweet sleep the fears  
And to give a kiss goodnight

Well, now I am grown  
And these days have shown  
Rain's a part of how life goes  
But it's dark and it's late  
So I'll hold you and wait  
'til your frightened eyes do close

And I hope that you'll know  
That nature is so  
This same rain that draws you near me  
Falls on rivers and land  
And forests and sand  
Makes the beautiful world that you see  
In the morning

Everything's fine in the morning  
The rain will be gone in the morning  
But I'll still be here in the morning
