

## Just A Gigolo

Village People

I'm just a gigolo won't some sweet mamma  
Come and take a chance with me  
Cause I aint so bad and I'll sing out, sweet love songs  
All of the time  
She will only be, only be  
Bip bozadee bodzee bop le bop I aint got nobody  
Oh and theres nobody cares for me  
Theres nobody cares for me hummala bebhuhla zeebuhla boobuhla  
Hummala bebhuhla zeebuhla bop I ain't got nobody, nobody  
Nobody cares for me  
Nobody, theres nobody cares for me  
I'm so sad and lonely  
Oh lonely, oh lonely, lonely lonely won't some sweet mama come  
and rescue me  
Cause I aint so bad and I'll sing out  
Sweet love songs  
All of the time  
She will only be, only, only, only only be  
Baby, sugar darling I aint got nobody baby  
And there's nobody, there's nobody  
There's nobody theres nobody  
There's no one, there's no one  
Nobody, nobody, nobody  
Nobody cares for me

Everywhere I go  
People know the part  
I'm playing paid for every dance  
Selling each romance  
Oh what their saying there will come a day  
And youth will pass away  
What will they say about me when the end comes I know  
They'll say just a gigolo  
Life goes on without me I'm just a gigolo, everywhere I go  
People know the part I'm playing  
Paid for every dance  
Starting each romance  
Oh what their saying and there will come a day  
And youth will pass away  
What will they say about me when the end comes I know  
They'll say just a gigalo  
Life goes on without me cause I aint got nobody  
Oh and theres nobody cares for me  
Theres nobody cares for me I'm so sad and lonely  
Sad and lonely sad and lonely
