Village People

Save Me  
Baby save me  
I am drowning  
Come in after me  
Save me  
Darling Save me  
Take my hand help me to stand

Save me  
Baby save me  
I am lonely  
And I need someone  
Someone special  
Someone beautiful  
Someone like you  
That's all I need

Save me  
Baby save me  
I am hungry  
Feed me with your love  
Save me  
Baby save me  
Share with me  
This ecstasy

If you only knew  
What I feeling I have for you  
Oh you're the love of my life  
And only you can  
Save me  
Baby save me  
Cause this heart  
This heart is filled with love for you  
Love for you  
Oh love for you  
Love me  
Oh love me  
And if it's a dream  
Then it's coming true

Save me  
Save me  
Feel this feeling  
That I have inside  
Won't you save me?  
Baby save me  
If there are fears  
Then why don't you push them  
Push them all aside

Save me  
Baby save me  
I am lost a t sea  
Won't you save?  
Save me  
Save me

Tell me yes  
I'll do the rest  
Save me  
Baby save me  
I am drowning  
Come in after me  
Save me  
Darling save me  
Take my hand  
Help me to stand
