# Don't Say That You Love Me

**Vince Gill**

I'm gonna tell you right up front
So you will understand
I ain't gonna waste your time
'Cause I might not be your man
We won't go makin' promises
'Cause you know it just ain't right
A promise is a promise, girl
And tonight is just tonight
Tonight is just tonight

Don't say that you love me
If it don't feel right
Don't say that you love me
Just hold me tonight

There ain't no need for broken hearts
I know in time they mend
Any fool can fall in love
It's so easy to pretend
Don't tell me I'm the only one
If it doesn't mean a thing
Let's take tonight for what it's worth
And see what tomorrow brings
And see what tomorrow brings

Don't say that you love me
If it don't feel right
Don't say that you love me
Just hold me tonight
