I know that you've been foolin' around on me Right from the start

So I'll take back my ring and I'll take back my heart And when you're tired of foolin' around with two or three Come on home and fool around with me.

I wasn't foolin' around the day I said I do
But many a night I wished that I had been a-foolin' too
I know it's foolish taking all this misery
But when it's you a fool I'll always be

I know that you've been foolin' around on me Right from the start

So I'll take back my ring and I'll take back my heart And when you're tired of foolin' around with two or three Come on home and fool around with me.

So honey fool around. You know right where I'm at Don't worry if I'm lonesome 'cause I'm used to that And when you're tire of foolin' 'round with two or three Then come on home and fool around with me

I know that you've been foolin' around on me Right from the start

So I'll take back my ring and I'll take back my heart And when you're tire of foolin' around with two or three Come on home and fool around with me Yeah, come on home and fool around with me
