

## I Can't Be Myself

Vince Gill

It's a way of mine to say just what I'm thinking  
And to do the things I really want to do  
And you want to change the part of me I'm proud of  
I can't be myself when I'm with you

You never liked the clothes I wear on Sunday  
Just because I don't believe the way you do  
But I believe the Lord knows I'm unhappy  
Cause I can't be myself when I'm with you

I can't be myself and be what pleases you  
Down deep inside I don't believe you really want me to  
It's not my way to take so long deciding  
I can't be myself when I'm with you

I can't be myself and be what pleases you  
Down deep inside I don't believe you really want me to  
It's not my way to take so long deciding  
I can't be myself when I'm with you  
I can't be myself when I'm with you
