

I Can't Tell You Why

Vince Gill

Look at us baby, up all night
Tearin' our love apart
Aren't we the same two people
Who lived through years in the dark?

Every time I try to walk away
Somethin' makes me
Turn around and stay
I can't tell you why

When we get crazy
It just ain't right
(Try to keep your head on, girl)
'Cause girl, I get lonely too

You don't have to worry
Just hold on tight
(Don't get caught in your little world)
'Cause I love you

Nothin's wrong as far as I can see
We make it harder than it has to be

I can't tell you why
No baby, I can't tell you why
I can't tell you why

Every time I try to walk away
Somethin' makes me
Turn around and stay
I can't tell you why

No baby, I can't tell you why
I can't tell you why
I can't tell you why, yeah

No baby, can't tell you why
