

# I Can't Tell You Why

Vince Gill

Look at us baby, up all night  
Tearin' our love apart  
Aren't we the same two people  
Who lived through years in the dark?

Every time I try to walk away  
Somethin' makes me  
Turn around and stay  
I can't tell you why

When we get crazy  
It just ain't right  
(Try to keep your head on, girl)  
'Cause girl, I get lonely too

You don't have to worry  
Just hold on tight  
(Don't get caught in your little world)  
'Cause I love you

Nothin's wrong as far as I can see  
We make it harder than it has to be

I can't tell you why  
No baby, I can't tell you why  
I can't tell you why

Every time I try to walk away  
Somethin' makes me  
Turn around and stay  
I can't tell you why

No baby, I can't tell you why  
I can't tell you why  
I can't tell you why, yeah

No baby, can't tell you why
