

# I Will Always Love You

Vince Gill

If I should stay  
I would only be in your way  
So I'll go, but I know  
I'll think of you each step of the way

And I will always love you  
I will always love you

Bitter sweet memories  
That is all I am taking with me  
Goodbye, please don't you cry  
'cause we both know I'm not what you need

But I will always love you  
I will always love you

I hope life (I hope life)  
Treats you kind (treats you kind)  
And I hope you have all you dream of  
I wish you joy (wish you joy)  
And happiness (and happiness)  
But above all this I wish you love

And I will always love you  
I will always love you  
Yes, I will always love you  
I will always love you
