If It Weren't for Him

Vince Gill

```
If she'd only knew what I was thinking
If she'd only knew what was in my head
Why can't she see my heart is breaking
She'd be mine if it weren't for him.

So many times I dreamed I had her
I call her name when I lay down
Still I can't learn to live without
Her jealous heart is all I found.

See your face would be my destiny
Now I won't take what you can give to me
This lonely place is all I hope to find
If it weren't for him then you'd be mine.

If he'd only knew what I was thinking
If he'd only knew what was in my head
Why can't he see my heart is breaking
He'd be mine if it weren't for him.

You'd be mine if it weren't for him
