Molly Brown

Molly Brown, waits for me In a little one-horse town And Boley, Oklahoma Where white folks don't come around

I'm thinkin' about you, Molly I'm forbidden to come 'round Lord knows I love you, Molly Molly Brown

Molly Brown, Molly Brown Lay down by my side Show me how you spread your wings And let that pony ride

I'm crazy about you, Molly I don't care that your skin is brown Lord knows I need you, Molly Molly Brown

Molly Brown Oh, Molly Brown

We met down by the river She wore her wedding gown I never saw it coming And no one heard the sound

My daddy used both barrels And left me there to drown Lord knows I'd die for Molly Molly Brown

Molly Brown, Molly Brown Don't you weep for me I'm going to a place the Lord Prepared for you and me

I'll meet you up in Heaven
Upon that Holy ground
I'll be waitin' for you, Molly
Molly Brown

Molly Brown, Molly Brown, Molly Brown Lord, I'll be waitin' up in Heavenly My sweet little brown, Molly Brown
