

Never Alone

Vince Gill

You were like a lost kid looking for home
You found what you wanted right in my arms

If you walk out on me, just leave your memory
Just take my sympathy and go
I love you so you're never alone

If you find another one turns your head
And you can't understand why it hurts so bad

If you walk out on me, just leave your memory
Just take my sympathy and go
I love you so you're never alone

Ain't no need to talk about it
I can learn to live without it
Just leave your heart right here with me

If you walk out on me, just leave your memory
Just take my sympathy and go

If you walk out on me, just leave your memory
Just take my sympathy and go
I love you so you're never alone

Girl, you're never alone never alone
