

Pretty Little Adriana

Vince Gill

You sure have a pretty smile
It sure has been a while
Since I've felt your touch
You've got the sweetest way
I think about you every day
I miss you so much

Oh my pretty little Adriana
Are you lonesome tonight
Oh my pretty little Adriana
I'll find you when it all feels right

You're so soft and innocent
The sweetest night I ever spent
Was being held in your embrace
You're such a gentle soul
It's killing me to know
When will I see your face

Oh my pretty little Adriana
Are you lonesome tonight
Oh my pretty little Adriana
I'll find you when it all feels right

Oh my pretty little Adriana
Are you lonesome tonight
Oh my pretty little Adriana
I'll find you when it all feels right

Oh my pretty little Adriana
Are you lonesome tonight
Oh my pretty little Adriana
I'll find you when it all feels right
