## **Pretty Little Adriana**

You sure have a pretty smile It sure has been a while Since I've felt your touch You've got the sweetest way I think about you every day I miss you so much

Oh my pretty little Adriana Are you lonesome tonight Oh my pretty little Adriana I'll find you when it all feels right

You're so soft and innocent The sweetest night I ever spent Was being held in your embrace You're such a gentle soul It's killing me to know When will I see your face

Oh my pretty little Adriana Are you lonesome tonight Oh my pretty little Adriana I'll find you when it all feels right

Oh my pretty little Adriana Are you lonesome tonight Oh my pretty little Adriana I'll find you when it all feels right

Oh my pretty little Adriana Are you lonesome tonight Oh my pretty little Adriana I'll find you when it all feels right
