

## Sweet Augusta Darlin'

Vince Gill

She holds me when I'm sleepin'  
She wakes me with a kiss  
She is the only woman  
My heart cannot resist

My sweet Augusta darlin'  
Comes from those Georgia pines  
My sweet Augusta darlin'  
The one true love of mine

She whispers that she loves me  
She knows I feel the same  
I thank the Lord above me  
When I hear her call my name

My sweet Augusta darlin'  
Comes from those Georgia pines  
My sweet Augusta darlin'  
The one true love of mine

We'll praise this perfect union  
And we'll watch the years go by  
And we'll be such sweet companions  
Until the end of time

My sweet Augusta darlin'  
Comes from those Georgia pines  
My sweet Augusta darlin'  
The one true love of mine  
My sweet Augusta darlin'  
The one true love of mine
