

Sweet Augusta Darlin'

Vince Gill

She holds me when I'm sleepin'
She wakes me with a kiss
She is the only woman
My heart cannot resist

My sweet Augusta darlin'
Comes from those Georgia pines
My sweet Augusta darlin'
The one true love of mine

She whispers that she loves me
She knows I feel the same
I thank the Lord above me
When I hear her call my name

My sweet Augusta darlin'
Comes from those Georgia pines
My sweet Augusta darlin'
The one true love of mine

We'll praise this perfect union
And we'll watch the years go by
And we'll be such sweet companions
Until the end of time

My sweet Augusta darlin'
Comes from those Georgia pines
My sweet Augusta darlin'
The one true love of mine
My sweet Augusta darlin'
The one true love of mine
