Sweet Little Corrina

Well, here comes my little baby Here comes my turtle dove She drives me crazy She's the one that I love

She's got a way about her I could never turn down I couldn't live without her She makes the world go around

Sweet little Corrina Come over here by my side Sweet little Corrina Put your pretty little hand in mine

You could search the world over Right up till the end of time Every night I get to hold her Sweet Corrina, now she's so fine

She's my little angel My little beauty queen She never met a stranger She's the girl of my dreams

She's a ballerina Sweet as she can be Ought to see the way She's smilin' at me

Sweet little Corrina Come over here by my side Sweet little Corrina Put your pretty little hand in mine

You could search the world over Right up till the end of time Every night I get to hold her Sweet Corrina, now she's so fine

Sweet little Corrina Come over here by my side Sweet little Corrina Put your pretty little hand in mine

You could search the world over Right up till the end of time Every night I get to hold her Sweet Corrina, now she's so fine
