

Turn Me Loose

Vince Gill

You better turn me loose
Turn me loose you know that I can't stay
You better turn me loose
Well turn me loose you know I'll make it anyway

Well why don't you tell me
Just what's goin' on
Both of us lyin' here
And we both know it's wrong
So why don't you let me
Why don't you leave it alone
And don't keep hangin' on to a love that's dead and gone

You better turn me loose
Turn me loose you know that I can't stay
You better turn me loose
Well turn me loose you know I'll make it anyway

Well you can't see it's over
That's really a shame
Well our love didn't make it
But no one's to blame
So why don't we say goodbye
Why don't we just say we're through
And I'll be on my way
And I'll get by without you

You better turn me loose
Well turn me loose you know that I can't stay
You better turn me loose
Well turn me loose you know I'll make it anyway

You better turn me loose
Well turn me loose you know that I can't stay
You better turn me loose
Well turn me loose you know I'll make it anyway
Turn me loose you know I'll make it anyway
