

When I Look Into Your Heart

Vince Gill

When I look into your heart
I see us holding each other
I can finally see forever
When I look into your heart

I've seen the moon dance on the waters
Watched the morning sun slip through the trees
But the sight of you is the vision
That takes me to my knees

When I look into your heart
I see us holding each other
I can finally see forever
When I look into your heart

I've never known such comfort
I've never felt such release
I've never felt so connected
I've never known such peace

When I look into your heart
I see us holding each other
I can finally see forever
When I look into your heart

I can finally see forever
When I look into your heart
