

With You

Vince Gill

I can just see us now
You and me paintin' the town
Forever just foolin' around
With you

Just think of the things we'd do
Baby just me and you
My heart can finally be true
With you

With you
And you with me
Is all that I can see
It ain't no mystery
I long to always be
With you
With you
I wanna be with you

I see you in every dream
Girl in my eyes you're queen
My happiness you could bring
With you

So what are you waitin' on
Just say the word and we're gone
I'll be right where I belong
With you

With you
And you with me
Is all that I can see
It ain't no mystery
I long to always be
With you
With you
I wanna be with you

Oh, darlin'
I'm so in love with you
I'll keep on callin'
'Til you make my dream come true

I can just see us now
You and me paintin' the town
Forever just foolin' around
With you

Just you
Just you and me, baby
I wanna be with you
Just you, baby
I wanna be with just you
I wanna be
I wanna be
I wanna be with you, baby
I wanna be with you

Just you and me, baby
