

She got girls
Girls all over the world
She got men
Every now and then

But she can't make up her mind
On just how to fill her time
But the only way she can unwind

A.C. D.C.
She's got some other lover as well as me
A.C. D.C.
She's got some other women as well as me
She's got some other women as well as me

She's got funk
But they call her punk
She got sick
You wanna see her dingaling

Well, let's be in it together
I'll guess she'll be in it forever
You've got to take it now or never

A.C. D.C.
She's got some other lover as well as me
A.C. D.C.
She's got some other women as well as me
She's got some other women as well as me

She got girls
Girls all over the world
She got men
Every now and then

But she can't make up her mind
On just how to fill her time
The only way she can unwind

A.C. D.C.
She's got some other lover as well as me
A.C. D.C.
She's got some other women as well as me
She's got some other women as well as me
