Vince Neil

She got girls  
Girls all over the world  
She got men  
Every now and then

But she can't make up her mind  
On just how to fill her time  
But the only way she can unwind

A.C. D.C.  
She's got some other lover as well as me  
A.C. D.C.  
She's got some other women as well as me  
She's got some other women as well as me

She's got funk  
But they call her punk  
She got sick  
You wanna see her dingaling

Well, let's be in it together  
I'll guess she'll be in it forever  
You've got to take it now or never
