

Fine, Fine Wine

Vince Neil

Baby's long and tall man she's got it all she's alright
Alright
Hips have got a sway shakin' it my way it alright
Alright

Full bodied curves with her legs she serves oh yeah
Oh yeah
Lips that say it all turn and hear her call oh yeah
Oh yeah

Ain't no cheap and nasty liquor dripping down her vine
Taste of golden honey sweet as candy money
Bottle it up and make her mine

Give me a taste of your fine, fine wine
Ruby sticky, sweet as summertime
Let me taste you fine, fine wine
One more drink gets me feeling alright

We're here for the show, let your passion flow, it's O.K.
O.K.
We ain't gonna stop, so throw away the top, it's
O.K.
O.K.

Ain't no cheap and nasty liquor dripping down her vine
Taste of golden honey sweet as candy money
Bottle it up and make her mine

Give me a taste of your fine, fine wine
Ruby sticky, sweet as summertime
Let me taste you fine, fine wine
One more drink gets me feeling alright
