

## Dirty Rhythm

Vinnie Vincent Invasion

Hey little kitten purr for me  
Pour your loving all over me  
Tonight our love is high and free  
Let your fire burn shamelessly  
Meltdown past my danger zone  
In between the wrong and the night  
Touch me where no one's ever gone  
Erotic to the point of crime

I want dirty rhythm  
I want that dirty rhythm over me  
I want dirty rhythm  
I want that dirty rhythm over me

Come together in serenade  
Pull the pin of my love grenade  
Midnight mover: my star so bright  
We'll dance dirty and tip to the light  
My love don't stop coming  
Gimme all your loving till the thrill is gone  
You got my heart pumping  
Heaven mating till the break of dawn

Pretty little girl come out and play  
Your candy man is here to stay  
Bringing you sugar from paradise  
Sweet surrender burning in your eyes  
Wo yeah - oh shake it--- you feel g-o-o-o-o-d

Oh babe I'm going to let your let your love  
Drip down on me babe oh yeah  
I want your dirty rhythm  
Yeah, yeah
