

Atomic Nightmare

Violator

In a world built by greed
Politicians rules with fear
Bombs terrorize human kind
Imminent annihilation
Brings our dreams to devastation
Victims of a Science of death

Burn and see, nature slaughtered
Blasts the whole world destroyed
The Fate of all living things
Will be leaded to Extinction

Atomic Nightmare

Lunatics with the power
To erase all inhabitants
Desolation preserve an empire
Widespread vast destruction
Can't escape the toxic corrosion
Killing radiation overdose

Atomic Nightmare

Darkness in the burning sky
Th world comes to Demise
Human Race is Terminated
Welcome to Nuclear Holocaust

Poison spreads everywhere
Hopes are reduced to ashes
Toxic Waste infects our vein
Welcome to Nuclear Holocaust, now die

Marching Over Blood!
