

## Candlelight Song

Violent Femmes

In the mourning  
Of the morning  
I hear mourning  
Of the deepest kind  
Kind and kindly  
Soft and silly  
Wile and willy-ling-ly-lessness  
Much less much less  
What's best what's best  
Lifelessness  
My doll is dead  
Listen to the song sing along  
Listen to the song sing along

In the mourning  
Of the morning  
I hear mourning  
Of the deepest kind  
Kind and kindly  
Soft and silly  
Wile and willy-ling-ly-lessness

Lifelessness  
My doll is dead

Listen to the song sing along  
Listen to the song sing along  
Listen to the song sing along  
Listen to the song sing along

In the mourning  
Of the morning  
I hear mourning  
Of the deepest kind  
...
