

Happiness Is

Violent Femmes

I don't know what one means by happy
I'm happy spasmodically

I don't know what one means by happy
I'm happy spasmodically

I don't know what one means by happy
I'm happy spasmodically

If I eat a chocholet turtle, I'm happy
When the box is empty, I'm unhappy

Happiness is, happiness is a word for amatures
Happiness is, happiness is a word for amatures

I don't know what one means by happy
I'm happy spasmodically

I don't know what one means by happy
I'm happy spasmodically

If I eat a chocholet turtle, I'm happy
When the box is empty, I'm unhappy
When I get another box
I'm happy again
When I get another box
I'm happy again

Happiness is, happiness is a word for amatures
