Tonight, I want to get high
Tonight, I want to get high
Tonight, I want to get high, high, high
I don't care if I live or die
Tonight, cause I want to get high

Tonight, I want to get drunk
Tonight, I want to get drunk
Tonight, I want to get drunk, drunk, drunk
I'm big enough, yeah I'm a punk!
Tonight, cause I want to get drunk

But it would be much better if we do it together

Tonight, cause I want to get laid
Tonight, cause I want to get laid
Tonight, I want to get laid, laid, laid
I dont care if it is good grade
Tonight, cause I want to get laid

Tonight, cause I want to get fucked
Tonight, cause I want to get fucked
Tonight, I want to get fucked, fucked, fucked
Do me slow, do it in'a trunk
Tonight, cause I want to get fucked

But it would be much better if we could do it together

Tonight, I want to get high
Tonight, I want to get high
Tonight, I want to get high, high, high
I don't care if I live
