Ne Me Quitte Pas

Violet Indiana

If you go away On this summer day Then you might as well Take the sun away All the birds that flew In the summer sky When our love was new And our hearts were high When the day was young And the night was long And the moon stood still For the night-bird's song If you go away If you go away If you go away But if you stay I'll make you a day Like no day has been Or will be again We will sail the sun We will ride on the rain We will talk to the trees And worship the wind Then if you go I'll understand Leave me just enough love To hold in my hand If you go away If you go away If you go away Il faut oublier Tout peut s'oublier Qui s'enfuit déjà Oublier le temps Des malentendus Et le temps perdu A savoir comment Oublier ces heures Qui tuaient parfois A coups de pourquoi Le coeur du bonheur Ne me quitte pas Ne me quitte pas Ne me quitte pas But if you stay I'll make you a night Like no night has been Or will be again I'll sail on your smile I'll ride on your touch I'll talk to your eyes That I love so much

Then if you go I'll understand Leave me just enough love To hold in my hand

If you go away If you go away Oh if you go away

If you go away As I know you must There'll be nothing left In this world to trust Just an emtpy room Full of emtpy space Like the empty look I'll see on your face Oh i'd live in the shadow Of your shadow If it might keep me by your side If you go away If you go away If you go away

Please don't go away
