

## God Machine

Viper

I don't see a single thing  
I don't feel a single thing  
I don't see you  
I don't need a single thing  
I don't read a single thing  
But I can save you  
Tell me what you're here for  
I stay with you 24  
Hours in a day  
Seven days a week or more  
I don't care what you believe  
If God machine can make me rich  
U\$ 200 000 is money enough  
To build a church  
But I don't care for profit  
If I am closer to god  
All this faith will make you blind  
If you walk outta line  
Switch off the machine  
Live yourself to pray and lie  
I don't care what you believe  
If God machine can make me rich
